Re: FIR Against Students

Sir,

The Students association of FTII would like to bring on record that the FIR lodged against the students is false and totally baseless. We demand a free and fair enquiry in this matter. We request the authorities to impress upon the police of the need to provide Shri. Sanjay Chandekar with twenty four hour police protection. This should be done with immediate effect and with utmost urgency.

Sir, We hereby state that the students association does not bear any malice against Shri. Chandekar and demand that the FTII administration and the Pune police take full responsibility for the health and physical security of Shri Chandekar.

We expect that you take the necessary and urgent steps in ensuring the well being of Shri. Chandekar.

With Regards

Harishankar Nachimutthu
President – Students Association, FTII.
